

## **Timothy Butts: Visionary IT Leader, Mentor, and Community Advocate**

**Timothy Butts** is a renowned innovator and leader in the field of Information Technology, dedicated to advancing community development and civil rights. As the accomplished founder of **TEB & Associates**, a premier positioning firm, Mr. Butts has transformed the business landscape by helping clients, consultants, and thought leaders enhance engagement strategies and significantly increase their revenues by an impressive average of 500%.

### **Professional Achievements**

With over 35 years of experience in developing groundbreaking IT solutions, Timothy Butts has made substantial contributions across a wide array of sectors, including public, private, medical, entrepreneurial, and academic industries. Formerly the **Vice Chair of Clinical Applications Development** at the **Mayo Clinic**, he has played a pivotal role in revolutionizing healthcare IT. He currently supports state and federal Medicare and Medicaid innovation, as well as healthcare IT development and education advocacy, for various client organizations.

Timothy has demonstrated exceptional leadership and fiscal responsibility by managing budgets exceeding \$90 million for diverse initiatives in life sciences and government projects.

### **Leadership and Community Engagement**

Beyond his professional achievements, Mr. Butts is a dedicated community relations leader, mentor, and civil rights advocate. He actively builds initiatives that benefit the broader community and foster positive change. His notable experiences include:

- **Past Mayoral Candidate** in Greater Pittsburgh, demonstrating his commitment to public service and community improvement.
- **IT Operations Management Faculty Member**, imparting his vast knowledge to future technology leaders.
- **Past President of the NAACP**, where he effectively championed civil rights and equality.
- **Builder of Coding Academy Programs**, empowering the next generation with essential skills for success in the digital economy.

Currently serving as the **National West Region Vice President of Black Data Processing Associates (BDPA)**, Timothy Butts exemplifies how technology can be harnessed for business and healthcare applications, embodying the journey from the classroom to the boardroom.

### **Academic and Professional Excellence**

Timothy Butts is a distinguished graduate and educator, having taught at prestigious institutions such as **Duquesne University, The University of Pittsburgh, Temple University, The University of Houston**, and **The Wharton School at the University of Pennsylvania**. His academic contributions reflect his unwavering dedication to fostering innovation and professional growth.

## **Personal Life and Advocacy**

A proud father of two sons, Timothy Butts balances his professional endeavors with a deep commitment to his family. His life's work reflects the core values of mentorship, business ownership, and community leadership.

Timothy actively supports professional development, spiritual resilience, education, and innovation programs, championing initiatives that empower individuals and communities to reach their fullest potential.

## **Vision for the Future**

Timothy Butts is not just an IT visionary but a transformative leader who bridges technology and humanity. His unwavering dedication to advancing civil rights, education, and healthcare positions him as a leader poised to make a lasting impact on society.

## **Advocacy and Impact**

A dedicated educator, Timothy Butts has been instrumental in developing programs like the **Rice University Coding Academy**, equipping students with the skills needed to excel in today's digital economy. His commitment to education and professional development is evident through his support of initiatives that bridge the gap between the classroom and the boardroom.

In 2021, Mr. Butts addressed the **National Medical Association** and **BDPA National Conference**, speaking passionately about racial health disparities exacerbated by a lack of access to technology resources. His thought leadership on this issue underscores his dedication to creating equitable opportunities for all.

## **Vision for the Future**

Timothy Butts is more than a technology leader; he is an advocate for change and a champion of innovation. His vision is to build a future where technology and business ownership empower individuals and communities to thrive. As a proven innovator and business leader, Mr. Butts is committed to driving progress and fostering a more inclusive society.

## **Conclusion**

With his extensive experience, unwavering commitment to justice, and passion for empowering others, Timothy Butts is poised to make a significant impact as a leader dedicated to positive change. His journey from the classroom to the boardroom embodies a lifelong mission to inspire, educate, and lead.
